

BROWSHOLME

# Welcome to Browsholme

Private family home and romantic  
wedding venue.

Let us listen, help and guide you  
towards creating your perfect  
wedding day.

# Your Ceremony

Four Locations - Which will you choose?

## TITHE BARN

The Tithe Barn evokes the character and atmosphere of a church with its flagstone floor, oak beams and high ceilings. Chiavari chairs are provided and the whole space is a blank canvas to personalise with colours and decorations to your chosen theme.

## REGENCY DRAWING ROOM

Situated within Browsholme Hall, the Regency Drawing Room, for up to 60 guests, is an especially romantic space, rich with history. Large windows give a mellow light and during the ceremony, provide uninterrupted views across the gardens and parkland.

## LILY POND

The Lily Pond is a spectacular outdoor area located within the landscaped gardens of Browsholme Hall. Say 'I do' mirrored in the reflection of this special pond created for all ceremonies whether civil, a blessing or with a celebrant.

## LONESOME PINE

For couples who are seeking a completely natural location imagine your ceremony below a magnificent 150 Scots Pine tree situated in unspoilt woodland close to our lake. (Blessings & Celebrants only)

# Your Reception

At the end of the ceremony, or on arrival from church, it is time to celebrate and relax with your friends and family. The Courtyards at the Tithe Barn and Cart Shed provide sheltered, intimate spaces for a reception or, alternatively, you may choose the idyllic garden terrace by the Hall.

Would you like champagne or prosecco for the reception? Perhaps a Gin Bar or Pimms in the Summer; it is your choice. Our three well-stocked bars provide for every possible taste, with beer from local breweries, a wide selection of wines, gins and other spirits. For those who prefer a non-alcoholic drink, we have an excellent range of mocktails, soft drinks and special fruit juices.

# Your Wedding Breakfast

We appreciate that marvellous food and fine wine are central to the wedding feast, understanding that your meal is one of the most important elements of your wedding.

Twelve, our caterer, has an award-winning reputation in Lancashire for fantastic food. Having worked alongside them for many years, we know their service is excellent and that you will be in safe hands. They are committed to using local suppliers and produce and are very happy to advise on seasonality and availability. Caroline and Paul at Twelve will be delighted to meet with you, arrange a tasting of their food and discuss a bespoke menu for you and your guests.

Fine wine should accompany excellent food and our award-winning our vintner, Milestone Wines, has an extensive list, all hand selected and all from small producer vineyards.

It is important to us that all our guests experience the very best food, wine and service.

# Your Evening Party

Formalities complete; speeches made; let the party start!

You can now relax, confident that your family, friends and relatives have enjoyed the reception and food at the wedding feast. It's time to let your hair down, enjoy the evening and dance the night away. Tables and chairs are put to one side and coloured lighting transforms the Tithe Barn into the perfect party room.

We would be delighted to suggest a range of DJ's and live bands to suit your style and taste; perhaps include other 'side shows' such as photo booths, magicians and games.

The evening is when the Courtyard truly comes to life. Fire pits, an outside bar, warm lighting and the magic of a wood-fired pizza oven cooking delicious, fresh pizzas will provide a special memory for you and your guests.

# Pizza in the Courtyard

Let us bake fresh, homemade pizzas for your evening guests in our wood-fired oven situated in the sheltered Courtyard. All of our artisan pizzas are cooked from scratch, within minutes, using the freshest of ingredients, from Margherita and Pepperoni to a spicy Sicilian, you and your guests will be spoiled for choice!

Divided into slices, our pizzas are freshly made through the evening service; so your guests can return whenever they get peckish!

# Our Accommodation

## THE WOODLAND GLADE

Ten beautiful, wooden micro-lodges, situated in woodland near the Tithe Barn, provide deluxe bedrooms for your guests on the night of the wedding. The bridal lodge 'Cherry' is set aside for you and your partner and is included in the venue hire.

These purpose-built and beautifully furnished lodges each have a double bed, seating area and shower room. Several feature a sofa that can be converted to accommodate children and each lodge has simple cooking facilities for tea, coffee and the preparation of a light meal. Two of our lodges are dog-friendly so your pet can enjoy the wedding with you.

## MEWS COTTAGE

A few steps from the Tithe Barn is our cosy, two-bedroomed Mews Cottage. With a private garden, this quirky and romantic cottage is a perfect place to relax after the evening party when your family, friends and relatives have departed. If you and your partner wish to use the Cottage

for the night of the wedding instead of Cherry Lodge a modest additional charge will be made.

# The Morning After

Exclusive to you, the Cart Shed provides a relaxing atmosphere to compare hangovers, exchange stories from the night before and ensure everyone is refreshed for the journey home.

This is included in your guests' accommodation charge for both the cottage and lodges. Locally sourced sizzling bacon and sausages will help revitalise you and your guests after an energetic night on the dancefloor. No full English breakfast is complete without a generous portion of fresh eggs, local sausages and bacon. Otherwise a selection of breads, jams, yoghurt, cereals, muesli and fruits cater for those desiring an alternative.

# Small and intimate

the rise of the Micro Wedding

Restrictions, in 2020, on social gathering have given some couples pause for thought. Why not opt for an intimate Micro Wedding with family and close friends?

Micro-Weddings offer you an opportunity to focus on the people who are most important to them. Micro-Weddings at Browsholme are tailored for 20 guests

## Why Choose a Micro-Wedding

- Fewer guests means your budget can go further on decoration, food, wine and the honeymoon
- Focus on the styling: with 100 guests your budget is diluted, with a Micro-Wedding it can be lavish and memorable for your chosen guests
- Freedom to spend more time with all your guests, or photographs and enjoy the gardens at Browsholme

...and finally less pressure and stress on your wedding day

Micro-Weddings are possible at Browsholme because in addition to the Tithe Barn we have recently restored the smaller Cart Shed in the same rustic style with a choice of areas for ceremony and reception drinks.

# Our Background

Built in 1507, Browsholme Hall may be steeped in history, but the focus of your wedding day will be the stone Tithe Barn that has been restored with all the attributes (and more) of a contemporary, modern venue. Here, traditional features of flagstone floors and oak timber have been seamlessly integrated with the latest sound and lighting equipment, and renewable energy heating system. Outside is a private courtyard for you to entertain guests, relax and enjoy your party until the midnight hour.

At Browsholme we don't have a standard format as we want to help you create your dream wedding, perfectly tailored to your ideas and preferences. The style of menu, seating, decorations, flowers, wine - perhaps a cocktail or gin bar - music and other entertainment is your choice. Our very experienced caterers provide flawless organisation with delicious award-winning food, delivered by a team of highly personable and professional staff.

# Sustainability

Browsholme tells a story of family and social history over five hundred years; its origins within the Forest of Bowland Area of Outstanding Natural Beauty and its interaction with the local and district community. Sustainability is woven into every aspect of life at Browsholme, from carbon neutral heating, sourcing local food and produce, recycling, composting all of our garden and kitchen waste, employing local people and nurturing the natural habitat.

We aim to give all our wedding couples and their guests a memorable and happy day in surroundings that demonstrate how the past can have a modern relevance. We believe that traditional buildings such as the Tithe Barn, once reliant on inefficient farming practice, can be transformed by the introduction of a sustainable business that enhances the lives of visitors and employees, thereby building a stronger community.

# Our Mission

Browsholme connects people with their past as a better way to understand a sustainable future. Sustainability is at the heart of Browsholme Hall and the Tithe Barn; it is a major part of the message we communicate to visitors. We encourage people to look at what we do and be inspired to take our methods into their own lives.
